WASHING GUIDE

WASH UNIFORMS PRIOR TO FIRST USE AND IMMEDIATELY AFTER EACH USE. Naturally occurring PH levels in sweat may cause dye migration in first use. We recommend a detergent like Tide® Plus Coldwater Clean. Prior to washing in cool water, turning the garments inside out will help preserve Twill, Vapor Fusion™, HS Fusion, and Embroidery. Clasping Velcro® prior to washing may help prevent snagging or picking.

DO NOT WASH UNIFORMS WITH OTHER ITEMS. Bleeding may occur.

DO NOT USE BLEACH. Bleach will deteriorate fabric fibers and may cause color loss.

DO NOT OVERLOAD WASHER OR DRYER. Hang dry is recommended for best results. In the dryer, overloading may cause the uniforms to stick together, especially those with HS Fusion. Remove garments immediately after both wash and dry cycles. To avoid static and lint build-up, use an anti-static agent such as Bounce® Dryer Sheets.

DO NOT EXPOSE UNIFORMS TO HIGH HEAT. Excessive heat is the enemy of your uniform. Heat presses, ironing, dry cleaning, or heat transfers may cause dye migration and break down fabric fibers. Excessive heat, especially in dryers, can cause shrinkage above normal tolerances, cause HS Fusion to crack, and Twill to wrinkle. If you use a dryer, please use a ‘damp dry’ or ‘air dry’ setting.

STORE IN A COOL, DRY AREA, AWAY FROM DIRECT SUNLIGHT.
Excessive sunlight may cause discoloration.

Heavily soiled garments (grass, dirt, clay mud), pre-treatment is recommended

- Spray on products such as Spray ‘n Wash®, Shout®, or ESPRO® cleaner have been tested with positive results.
- Products such as Shout® Advanced Action Gel can be used for stubborn stains.
- For blood stains, it is best to rinse in cool water as soon as possible, and if necessary, soak in cool water before washing. One of the above pre-treatments can also be used, or an oxygen-based laundry booster such as OxiClean® can also be used.
- For ink stains, use hair spray as soon as possible. Delaying the application of hair spray may decrease results. Spray on stain and rub until the ink is gone. Wash as normal.

QUALITY GUARANTEE

1-year warranty starts from date of customer receipt of Easton® uniforms. Warranty covers any defect or condition of a uniform that can be attributed to a manufacturing error, or otherwise deemed to be a Easton® quality concern. This does not include damage or discoloration that may occur from excessive collisions or abrasions, customer alteration, improper care, or circumstances beyond Easton® control. Please use the above uniform care instructions for best results.

Our caring service representatives are standing by for your questions at 1-800-729-5464 (800-RAWLINGS).
