The 4.3 ounce weight is perfect for year round comfort whether you have barefoot mornings or a chill in the air. The styling and fit have been refined and expertly crafted for "Him" and we've extended sizes down to XXS to accommodate a broad range of customers. ESSENTIAL PLAIDS

The plaid pattern is different from the usual checkerboard pattern consisting of squares of colors, it consists of stripes of different colors intersecting each other.

BUFFALO CHECKS

A Buffalo Check is a two-color check, and one color is usually always black. The most recognizable Buffalo Check is red and black, something that would bring to mind a lumberjack.
